The Style of a "Dorothy Dodd"

The woman whose capacity for style exceeds her capacity in dollars will find that the style of a "Dorothy Dodd" Shoe gives her foot all the distinction of a custom-measured shoe. "The style of a 'Dorothy Dodd'" has become proverbial. It is a Shoe that preserves the natural outlines of the foot, yet actually makes it look a full size smaller. No other shoe is designed like it. When your foot is tired don't put on a slipper, but put on a "Dorothy Dodd." It hugs the foot around the instep and rests every other part of it. It saves fifty per cent in foot fatigue.
